I Henry Fordham J. JR. have been incarcerated 23 months on 11, 2003 I was ordered By a Superior Court Judge Name Judge James T. JR Vaughn. To participate and complete this Greentree program here at D.C.C. for 90 Days to Six months at the time I was awaiting on my paperwork of completion and I also envolved my self into other programs such as Narcotes Anonymous. I was Taking all These Drug programs series. During the 6 months I participated in the programs I did not break Any of the program rules I went To the last Stage of the Greentree program self will v/s Acceptance Sir, the first requirement is that we be convinced that any life run on self will can hardly be successful. On that basis we are almost always in Collision with somebody or something. on 8-28-04 and 9-3-04 I Henry Fordham was Sexual Assaulted by a Corrections officer here at D.C.C. and was Told By that officer LT William Yoga that if I Tell anyone about the assault that he was going to make my life hell or Kill me inside this prison or outside of this prison when I tried To Tell some one about the Sexual assault the Officer Then retaliated and written me up on false reports and had me moved out the greentree program and was Told that as long as I am inside this prison I will be in maxs SHU an I can forget about going Back To this program. I was barred from the program in retaliation I have written my Sentencing Judge an I Told him that I was barred from the program in retaliation and that I was Sexual abuse and when I Tried To get help The Officer then retaliated

Equal Protection:

Now D.C.C. is in retaliation, as long as I am inside this prison I will not be able to do this court order program with this Crisis going on here at D.C.C. I have also been absence of all my Classification for the past 1 year and I can prove that. I can prove that the motivation for denial of access to this program is in and still today right now in retaliation for the Sexual Assaulted. I also have written all over this prison and know one is helping me are ~~written~~ writing back I am starting to fear for my life inside of this prison. I have written my Sentencing Judge I told him about the abuse and I have not heard anything back from him. I am writing to This Court to the District Court U.S. and I am asking for relief I am asking that the Spirit of this U.S. District Court help me in anyway I am know longer self in this prison I fear for my life, I am believing that I would sustain physical harm inside of D.C.C. I am asking that the Spirit of the Court release me from the Custody of D.C.C. Till the lawsuit is over and sent to another prison in the State of Delaware I am in danger of prison harm.
